Hotel bill extras prove great for local charities

GUESTS STAYING at a Dunkeld hotel have helped make a big difference to disadvantaged children and young people by raising £150 for charity.

The Small Change, Big Difference campaign ran at the Hilton Dunkeld House from October to December 2012.

It invites guests staying at Hilton hotels to add an optional £1 on to their room bill during their stay and since 2004 has raised more than £1 million for children's charities.

Mike Metcalfe, general manager of Hilton Dunkeld House said: "I would like to express my gratitude to our generous guests for their support.

"This is a fantastic campaign to be involved in.

"The small change from our guests really does make a positive difference to local children.

"Small Change Big Difference has been proven to be an effective fundraiser"

Hilton in the Community Foundation has supported children in Perthshire since 2001, with grants to a number of charities.

These charities in local areas have included Errol After-School Club, Gordon Duncan Memorial Trust and Lochec Boys' and Girls' Club.

All proceeds raised from the campaign will be used to support disadvantaged children through Hilton in the Community Foundation's grants programme, with a focus on improving the wellbeing and education of young people.
