Hilton Foundation Support Your Pets Warehouse Social Mission

02 April 2013

Hilton Foundation offers support for Your Pets Warehouse Social Mission.

The Hilton Foundation believes in creating brighter futures for young people by offering support and funding to all kinds of organisations throughout the UK.

The Hilton Foundation visited the Your Pets Warehouse Store in Tonypanyd on a sunny April 2nd to present the trainees with a cheque for £10,000.

Rachael Cornelius and her colleagues presented the cheque to the trainees who were overjoyed with the support offered by the Hilton Foundation. There was a bit of a giggle amongst them as the person who was taking official photos forgot to put their super-duper camera on charge so they used Rachael's little pocket camera.

The funding given by the Hilton Foundation will go towards providing more places for young people to come and train at Your Pets Warehouse in Customer services, Animal care and Retail. The trainees not only gain a recognised qualification when they come to us they also have support and guidance in all aspects of work and life. Our aim is that all students leave us with a work ready attitude and a clear idea of what career path they would like to go down.

Many of our students come to us with no inspiration or motivation to work and most have no idea what their future holds other than unemployment and living off the state. Your Pets Warehouse helps to inspire and develop the students so they realise they are worth something and that the world is their oyster.

Your Pets Warehouse would like to thank Hilton Foundation for their support.
