

Place your bets for hotel's pig racing event

HILTON Swindon is looking for local businesses to support a charity pig racing fundraiser on May 2.

Tickets for this event, which will involve battery powered pigs, not real ones, are £5 a person and include a race card plus one free bet.

It will take place in the Lydard Suite at the hotel between 7pm and 10.30pm.

It is part of the hotel's commitment to working with the community through the Hilton In The Community Foundation.

And it will be used to

promote the produce of the local area with a Taste Of Wiltshiremarket street, where local companies can supply a selection of produce which can either be cooked by the head chef and provided on a menu or sold to raise additional funds.

Proceeds will be split 5 between Hilton in the Community Foundation and Hilton Swindon's local charity partner, The Amber Foundation, which helps unemployed young people. Call 01793 410960 or email events.swindon@hilton.com.
