**Shine out on Saturdays awarded major grant!**

Shine out on Saturdays, the wonderful performing arts club which operates at Norfolk Lodge every Saturday morning has been awarded a grant of £5000 by the Hilton in the Community Foundation.

This will help to ensure that the club, which has been running since 2008, can continue to operate every Saturday morning, providing a morning of challenges, creativity, energetic activity and above all, fun!

The club is funded entirely through charitable donation, so we are immensely grateful to the Foundation for recognizing the importance of this project and for supporting it so generously.
